how to fix MIMIX partial receiver issue.txt

How to delete partial receivers in target system (To fix DG status L & P)

in target system, take option 45 in DG, then option 17, it will show receivers.

In source server we go to 8 and check the la

how to fix MIMIX partial receiver issue.txt

on Management take option 44 (RJ link) we will take option 9 and put last read journal receiver (which we took from Management server) Status will change from form Inactive to *async.

Start DG opti
